About Girls Inc. of New Hampshire

Girls Inc. NH is an affiliate of a national organization. We serve girls at our centers in Nashua and Manchester with full day and after-school programs. We offer full-day summer camp, a young women's leadership program, and outreach programming in schools around the state. Our dinner club typically serves 100 meals each day providing nutritious and wholesome breakfast, lunch and dinner. Our research-based programming includes health and wellness, STEM activities, physical fitness, financial and media literacy, leadership and more. We value each girl as an individual and work with them to become their best self.

General Auction Information

The Fuel Her Fire Auction Gala was named the **Best Nonprofit Fundraiser** in the 2025 NH Business Review Best of Business Awards. It has three components: a pre-event online auction followed by a live event with a silent and live auction. The event will be held at the **SNHU Millyard on Thursday, April 9, 2026, 5-8PM**. Tickets are \$150 each and include delicious food and signature cocktails. Funds raised from the auction are put to direct use to allow us to continue to inspire and empower New Hampshire girls.

Live Auction

We are looking for signature items with values over \$1,000 to be auctioned off during the live event. Examples of successful live items include week-long vacations, exciting weekend packages, premium tickets to sporting events, fishing trips, experiences, jewelry, etc.

Silent Auction

Creative displays of various gift baskets, gift certificates, handbags, overnights, sports memorabilia, artwork, dinners, popular home and garden items, jewelry, high-end fashion, items for children, etc. Items should be valued at \$200 or more.

Online Auction (begins 2 weeks prior to live event)

This includes hundreds of smaller popular items ranging from gift cards, coolers, coffee supplies, popular personal items, local overnights, gift baskets, excursions, home décor and more.

Process

Item donors complete the Item Donation Form and return it to our office, or it can be completed online [HERE](#). You can mail item(s), drop off to the office at 1711 South Willow Street, Manchester, NH, or we can schedule a pick-up.
